AMERICAN & FOREIGN PATENTS
R. H. EDDY.

SOLICITOR OF PATENTS.

Late Agent of U. S. Patent, Office Washington, (under the Act of 1837.)

76 State Street, opposite Kilby Street,
BOSTON,

AFTER an extensive practice of upwards of twenty years, continues to secure Patents in the United States, also in Great Britain, France and other countries. Specifications, Bonds, Assignments, and all papers or Drawings for Patents, executed on liberal terms, and with despatch. Researches made into American or Foreign works, to determine the validity or utility of Patents or Inventions—and legal or other advice rendered in all matters touching the same. Copies of the claims of any Patent furnished by remitting One Dollar. Assignments recorded at Washington.

The Agency is not only the largest in New England, but through its inventors have advantages for securing Patents, of ascertaining the patentability of inventions unsurpassed by, if not immeasurably superior to any which can be offered them elsewhere. The Testimonials below given prove that none is MORE SUCCESSFUL AT THE PATENT OFFICE than the subscriber; and as SUCCESS IS THE BEST PROOF OF ADVANTAGES AND ABILITY, he would add that he has abundant reason to believe, and can prove, that at no other office of the kind are the charges for professional services so moderate. The immense practice of the subscriber during twenty years past has enabled him to accumulate a vast collection of specifications and official decisions relative to patents.

These, besides his extensive library of legal and mechanical works, and full accounts of patents granted in the United States and Europe, render him able, beyond question, to offer superior facilities for obtaining Patents.

All necessity of a journey to Washington, to procure a patent, and the usual great delay there, are here saved inventors.

TESTIMONIALS:

"I regard Mr. Eddy as one of the most capable and successful practitioners with whom I have had official intercourse.
CHARLES MASON,
Commissioner of Patents.

I have no hesitation in assuring inventors that they cannot employ a person more competent and trustworthy, and more capable of putting their applications in a form to secure for them an early and favorable consideration of the Patent Office. EDMOND BURKE,
Late Commissioner of Patent.

Mr. R. H. Eddy has made for me THIRTEEN applications, on all but ONE of which patents have been granted, and that is now *pending*. Such unmistakable proof of great talent and ability on his part lends me to recommend *all* inventors to apply to him to procure their patents as they may be sure of having the most faithful attention bestowed on their cases and at very reasonable charges" JOHN MAGAGFT.

During eight months the subscriber, in course of his large practice, made on *twice* rejected applications SIXTEEN APPEALS, EVERY ONE of which was decided in *his favor*, by the Commissioner of Patents,

A NEW MUSIC BOOK,
OR THE
New York Musical Review,
FOR NOTHING!

We have in press, and shall publish in October, "ASAPH, or THE CHOIR BOOK;" a new collection of Church Music for Singing Schools and Choirs, by Dr. Lowell Mason. Dr. Mason's last similar work, published in 1854, reached the enormous sale, in its first year, of over 54,000 copies, which is, we are confident, the largest sale ever enjoyed, in its first season, by any Church Music Book by a single author. The work now in press will embrace *nearly all new matter* culled with great care from numerous sources, such, as it is believed, will be of the highest interest to Choirs and Singing Schools. Its Singing School Department is more extensive and complete than in any previous work, being indeed a complete work in itself, and forming an extensive collection of secular music, the words, as well as music, to which, are nearly all quite new. Retail price, one dollar.

We publish, also, THE NEW YORK MUSICAL REVIEW, a fortnightly journal of sixteen quarto pages, including four pages of choice music in each number, with twelve pages of reading matter, including frequent articles from the leading musicians of the country, with all the musical news, &c., &c. Subscription, $1,00 per annum.

In view of the present hard times, and with the purpose of obtaining a wide circulation for specimen copies of Dr. MASON'S new work, we are induced to make the following liberal offer, viz.: To every one sending us, before 1st November, one dollar, (the price of subscription to the REVIEW,) we will furnish the paper for a year, and also, as soon as issued, a copy of Dr. MASON'S new work above announced, thus giving two dollars' worth for one. Those desiring the book sent by mail, must inclose twenty-four cents, to pay postage, in advance.

A CHALLENGE AND A REWARD

$500 REWARD.

I BEG LEAVE to inform my friends and the community, that from recent arrangements made by me, I NOW offer the above reward in good faith, which shall be paid in cash to any chemist or physician, of good and responsible standing in the State, who, on due analysis and satisfactory evidence, can find anything in the BRANDIES, WINES, GINS, &c., &c., NOW for sale by me as pure, other than is found in all PURE, GENUINE and UNADULTERATED ARTICLES.

Knowing, from experience, that our citizens in general labor under the impression, with good cause, that pure liquors cannot be had, I, after much pains, studious investigation, and from the reliable source with whom I NOW contract for my supplies in these articles, do stake my reputation as a man, my integrity as a merchant, that if the liquors NOW sold by me as pure "are not so," then none can be had from the vineyards in France or from any part of the world. As a proof of my sincerity, I challenge chemical contradiction, and invite all to come and test for themselves, when they will learn that NOW, "if never before," pure liquors can be purchased in Newport, by bottle or measure, for medicinal or family purposes, as cheap as in any other place in these United States.

WM. ALDERSON, Newport, R. I.

N. B.—The main inducement for all to give me a call is, that my figure for the genuine article is rather less, than more, than is NOW charged for the handsome labeled bottled compounds so extensively sold all over the country. a23

WITH PATENT SUSPENSION BRIDGE.

Their *immense volume of tone* rivals that of the Grand Piano, while the *Suspension Bridge*—secured to HALLET, DAVIS & Co., *by Letters Patent, and only used in their Pianos*—gives to the upper notes of the instrument a liquid and bell-like tone that *challenges competition.*

The Action of these instruments, (which is the French Grand,) is at once light, powerful, elastic and reliably repeating. STEEL *SWELL BARS*—our own improvement—are introduced into the Grands and Parlor Grands increasing the vibration and volume of tone.

NEW PATENT SPECTACLES.

THESE are so made that the glasses are sprung in, instead of being fastened in the ordinary manner. One pair of frames answers for any number of glasses, thus enabling the user to have them for short or long distances as may be desired, without the inconvenience of two pairs of glasses.

These Spectacles are recommended for their *simplicity*, as any person although unacquainted with the article, can at once change the glass; and they are stronger and more durable than the old style.

SAMUEL KIDDER, & CO'S
IMPERIAL YEAST POWDER.

A new article, which is pure, reliable and economical.

I have analyzed Samuel Kidder & Co's "Imperial Yeast Powder," manufactured by Messrs. Daniel F. White & Co., and found the base of vegetable origin to be so adjusted as to form a new and superior article for raising dough. It produces, with even ordinary flour, white, spongy and perfectly wholesome bread, and retains its power of action under exposure. Being free from mineral acids, and dangerous metallic salts, it should be preferred to compounds, frequently sold as yeast powders.

AN IRISHMAN'S LETTER.—The following rhymed letter was written by a son of Erin in the 25th Massachusetts regiment in Gen. Burnside's expedition. Though the poetry is unpretending and rude, there is a vein of humor running through the piece which makes it interesting:

This letter will tell you, dear Kitty,
That I was not kilt in the fight—
My mind is uneasy by dreaming
Of you and the childers all night.

I send you but twenty-five dollars,
I dreamed that you wanted some things;
I can't keep a cent in my pocket
Because you know money has wings.

Some do not send home any money
Because they went down in the strife;
If you have a dollar to spare
Do give it Micky B——'s wife.

You'll read all our loss in the papers,
The death of the bravest of men;
I tell you we fought a great battle,
A "walloped" the rebels again.

We gave them on Roanoke Island,
A drubbing they will not forget;
We captured two thousand five hundred,
And have not got done with them yet.

We paid them a visit at Newbern—
A hearty reception we got;
And two or three times in the scrimmage
Methought I was in a tight spot.

We stormed a strong battery and took it
Led on by our captain O'Neil,
Not liking cold steel in their bodies
The chivalry gave us leg bail.

Their forty-five cannon they left us—
Fell melt they abandoned the post;
They fired the old town in three places
Determined to give us a roast.

They thought to make Newbern like Moscow,
Their chieftain another Koutousoff,
Each rebel, so spiteful, revengeful,
Was willing to bite his own nose off.

The negroes are watching our motions
Whenever we're out on parade,
If they had a Toussaint to lead them
How soon would they come to our aid!

If once they should rally for freedom
The South to their sorrow might find
The blacks in their madness would battle
The North and the rebels combined;

They'd walk in with no ceremony,
We'll give them a grand invitation,
To come to the wake of secession.

THE LATE BATTLE IN MEXICO.

We have still further confirmation of the reported defeat of the French military expedition in Mexico, coupled with the statement that the Mexican force which fought the battle was not overwhelmingly large, as has been represented, but was in fact smaller than that of the French. We read this recently in the full official Mexican account of the battle, and were rather surprised at it, but did not comment on it because we observed that all the newspaper accounts concurred in the statement that the Mexican force was very large. The official dispatch of the Mexican commander, Gen. Zaragoza, says that the French army numbered between 4500 and 6000 men of all arms, and that the Mexican army consisted of 2000 men with twelve pieces of artillery.

The battle took place at Los Cumbres, to which place the French advanced on their way to the capital after leaving Orizaba. It occurred on the 27th of April, and the loss of the French is stated at five hundred men—literally a decimation; but this is accounted for by the favorable position occupied by the Mexicans, in a mountain pass, the name "Los Cumbres" meaning merely "the summits." There were few or no entrenchments, and the detachment ordered on the service were only instructed to dispute the pass.—The Mexican official account of the battle is so devoid of exaggeration that we quote the material portion here, though it is not new:

"On the morning of the 28th, at 10 o'clock, the French forces encamped at Aculzingo, and prepared to attack our positions with 3000 men, charging on the centre with two columns of 1000, and throwing on the flanks 1000 sharpshooters. A disputed combat of three hours took place, the enemy suffering a good deal from dead and wounded, the number of which is considerable. On our side we had very few casualties.—Most likely the column of the centre would have been completely destroyed had not Gen. Artega, who was personally in charge of that post, received a wound, which circumstance caused our commencing to retreat, while I was visiting the right flank. This move, which had already been decided on, and combined by the nature itself of the defence, was executed in the very best order, the centre falling back on the road, the left retreating by the sides of the heights, and the right toward Tehuacan; and so as to ensure greater security Gen. Portforio Diaz, with the second brigade of Ooxaca and a field piece, was placed on the second heights, who kept back the enemy at Puente Colorado until 6 P. M., when he received an order to retreat to Canada de Ixtapa, which place had been designed for the troops to pass the night."

We do not make this quotation for the purpose of rejoicing at the reverse which has happened to the French arms, though in this contest our sympathies are entirely with the Mexicans. But it will be observed that, notwithstanding the retreat of the Mexicans, the French were so cut up as to be obliged to give up the expedition to the capital, and fall back upon their original position at Orizaba. The action was, therefore, a decisive one, though not claimed as a victory by General Zaragoza. These Mexicans are the same opponents against whom we contended so brilliantly at Monterey, Buena Vista, Cerro Gordo and many other battle fields; and the Europeans, who considered them puny and degenerate, because they were so uniformly beaten, have now had a taste of the same sort of warfare. It has always been contended by the Americans that the Mexicans, in their war with us, fought as well as any European nation could have done, and the terrible losses suffered on both sides clearly showed the deadly nature of the strife.

The result of this battle will undoubtedly raise the reputation of our own soldiers, and curb the perpetual assumption of superior vigor by European armies. These French soldiers are veterans fresh from the fearful conflicts with Russia and Austria, and as they had a much less difficult task assigned them than Taylor had at Buena Vista, or Scott at Cerro Gordo, they ought to have succeeded. Of course we are not foolish enough to argue from this fight any successful issue for the Mexicans in a war with France, the odds being too much against them, but we are sincerely glad to see that the invaders of Mexico are not likely to find the conquest of that country the holiday pastime they expected.

LOCAL NEWS ITEMS.

A NOBLE MOVEMENT.—We learn that Mayor Cranston has addressed the following circular letter to each of the clergymen of our city. Comment is unnecessary, and we deem it but justice to both pastors and congregations to state that collections will undoubtedly be taken up in all the churches for the humane object of succoring our soldiers in adversity:—

MAYOR'S OFFICE,
Newport, R. I., June 18, 1862.

MY DEAR SIR:—The most urgent appeals are made to us, almost every day, by the noble women who are giving their services to their beloved country, in the Hospital of the Army of the Potomac and elsewhere,—imploring us to send them clothing and necessary Hospital stores, for our sick and wounded soldiers. The great battle before Richmond will probably be fought in a few days, and there will then be thousands of wounded soldiers to be taken care of, in addition to those who are now in the Hospital. *These kind and patriotic women, (true angels of mercy) who have left all the comforts and luxuries of home, to nurse the wounded and sick soldiers,* call loudly and earnestly upon us for aid. Could you read the heart-rending letters which I am constantly receiving, I know that you would plead most fervently with your congregation to contribute liberally for this noble and humane work. Will you have the kindness to cause a collection to be taken in your Church on Sunday next for this purpose. Our brave soldiers have left home, and all that is near and dear to them on earth, for the defence of the Constitution and the preservation of our beloved Union; and sick and wounded require our aid, and it is our religious and patriotic duty to furnish it promptly.

Yours Respectfully,
WILLIAM H. CRANSTON,
Mayor.

RESTAURANT.—We call attention to the advertisement in our columns of Mr. James T. Potter, Proprietor of the Triton Saloon, No. 166 Thames Street. Mr. Potter is well known as a prompt business man and a skillful caterer. He keeps constantly on hand, a supply of fresh oysters and other articles in his line. Rooms up stairs fitted up with great neatness, afford a most convenient and pleasant opportunity to transient parties of gentlemen, or gentlemen and ladies, to enjoy a lunch or a full meal. Any one wishing to supply the wants of the inner man will not fail to be satisfied by giving Mr. Potter a call.

SICK AND WOUNDED.—We understand his Honor Mayor Cranston has requested the Clergymen of the various churches to take up collection for the benefit of the Hospital at Gen. McClellans' camp—in [illegible] Richmond.

REMEMBER THE SOLDIERS WHO KEEP THE ENEMY AWAY FROM US, THINK OF FEVERS AND THINK OF WOUNDS AND PAY YOUR MONEY.

A BOX FOR CAPT. POWELL'S COMPANY.—It gives us pleasure to state that on Monday the Mayor will send a box to Capt. Powell's Company, 9th, R. I. Regiment; packages left at the Mayor's Office before 12 o'clock Monday, will be forwarded.

THE SECOND BAPTIST CHURCH.—The pulpit of the North Baptist Church, will be supplied to-morrow by Rev. Mr. Leverett, in the morning, and by Dr. Thayer, in the afternoon, services to commence at half-past 10, and 3 o'clock.

McClellan's Column.

[We publish the following private letter, as we think it will interest our readers.—They will perceive it speaks of an engagement, or skirmish on Saturday evening, which has not been alluded to by correspondents, and which was terribly disproportionate in the respective losses.]

NEAR FAIR OAKS, June 8th.
7th Mass. Volunteers.

MY DEAR ——:

I presume you would like to hear some account of the recent battles, in which we were engaged, of course no *one* can give much but I will attempt an outline.

Sat. 31st ult, about noon, our pickets were driven in and every one brought to his senses, by heavy Infantry and Artillery firing directly in front. We were hustled into line immediately, and drawn up in line of battle. The engagement lasted in our immediate vicinity, some two hours, during which our Regiment being on the right did not suffer at all, but the 10th Mass., in consequence of Gen. Casey's men running, were badly used. We lost ground in the battle, which I understand Gen McClellan says he should not have done, had Couch's Division occupied Casey's ground.

Just at sunset we were again surprised by a heavy volley of *light* arms into our *right company*, as we stood in line in another field. Our batteries were got into position and fired into them in less than a moment's time, and they soon "skedaddled." Strange, unaccountably strange, but one of our Regiment was wounded, which caused amputation below the knee. He was in Co. I (Attleboro) Seargent, and a German. They had an unusual loss for our batteries gave them cannister. A man in our Regiment told me he assisted in burying *one hundred and forty-six* rebels in one grave, or trench.

Sunday, just after sunrise, I took a glass, and could see the rebels distinctly in a "cut down" of timber, and in about half an hour they commenced the attack. The fight was triangular and a splendid battle it was, lasting some four or five hours. I lay by the side of the Railroad track, (our Regiment so near that I could leave at any moment on its moving) and, within stones throw of the enemy. I could of course see the whole operation. The Fourth Maine, never flinched, and the fortieth New York, (a goodly number of the men from Mass.) and a Vermont Regiment made a glorious bayonet charge on the *left* flank of the enemy, at the same time. Just at this time two Jersey Brigades came up, and then it was very exciting. Our men had to be careful to avoid killing our own side in the cross fire, as we drove the enemy, but the day soon became ours and all was quiet. The loss on both sides of this desperate battle I cannot tell, probably we lost 6000 killed, wounded, and missing.

It is a fact that New England men fight better than New York or Pennsylvania, and are always hailed with delight as they pass the crowd.

Day before yesterday, as we were setting out on the line of the advance, and one company was out skirmishing, I said to a member of the Band, there are two things I wish distinctly to see, one a shell when bursting, and a rebel flag in its regiment. Now Gen. Porter was on the opposite bank of the Chickahominy building a bridge to get over on our side, and just at this moment a shell came from a rebel battery, bursting, and falling within perhaps ten or fifteen feet of the men, at work on the bridge. I saw the shell as it came out of the woods, by the fuse, and when it burst, and the falling of the pieces. The range on their part was excellent, and our men left in a hurry. It is only a question of a little time about the bridge, and when the rebels find it is done, they had better skedaddle.

Our men said they could yesterday see Richmond, from tall trees. We are now on the Railroad, having come back to join our Brigade, being eight miles from the city. Shelling has been going on since I sat down to write, and I now hear Infantry. It appears probable that we shall have another general engagement to-day.

My health is first rate. So much rain was never known, perhaps, in this region, at this season. This is against us, more than the enemy, as we have to advance. The tempests are "awfully grand."

The cars are just passing up towards the city with commissary stores, and troops, and I assure you it makes things look cheerful. Our foes challenge every inch of ground this way, but Richmond must fall whoever and how many may fall before it.

Our march yesterday was in the midst of a powerful tempest, and we looked like drowned rats when we built our fires; but all is right now, and we "feel as happy as clams at high water." My coat, haversack, all in my knapsack, with my blankets, and canteen, were "taken" June 1st, during the battle, by the rebels. I have since received another knapsack, and two blankets.

P. S.

The Occupation of White House for a Hospital.—The reason why "White House," the property of the rebel Col. Lee, was not sooner appropriated for the purposes of a hospital, is thus related by the Washington *Republican*:

"The President, when first spoken to, urged some objection to the arrangement, saying that Gen. McClellan had some talk with Col. Lee on a previous occasion, and had promised, if the occasion offered, to protect his residence against occupation by any United States troops; but when Mr. Lincoln learned how our soldiers were without shelter, except such as afforded by negro huts and barns, and subjected to drink impure water, while the rooms of Col. Lee's house were empty, and guarded by United States soldiers, he said, 'The order must come. If Gen. McClellan has made a promise to Col. Lee which he cannot break, *I will now break it for him*.'"

WAR NEWS.

FROM FORT MONROE.

ACTIVITY OF THE REBELS BEFORE RICHMOND—THE REBELS BECOMING DESPERATE.

Fortress Monroe, June 19.—Everything is quiet here, and at Norfolk and Suffolk. Weather sultry.

General Dix has returned from Suffolk, having completed the posting of troops to cut off the communication between the rebels at Norfolk and above.

Skirmishing has been going on in front of the army of the Potomac, and the rebels have assumed a more menacing attitude and will probably try to bring on a general engagement in front of their batteries.

Three deserters from the 3d Georgia Regiment state that the rebels are becoming desperate and greatly disheartened at their recent defeats. Orders have been issued preventing any person not connected with the army from visiting the front, under any circumstances.

To-morrow, under Governor Pierpont's proclamation, is the last day for civil officers to come forward and take the oath of allegiance. As none of the city officials of *Norfolk* have taken the oath some trouble will probably be experienced.

Pretended Union men of Norfolk, instead of remaining quiet have lately been producing brawls, and Gen. Viele is determined to punish such offenders.

ARRIVAL OF SICK AND WOUNDED SOLDIERS.

New York, June 20.—The steamer Ellen City, from Fortress Monroe, has arrived with 350 sick and wounded soldiers from Gen. McClellan's army. She is bound to Albany. A list of her passengers could not be obtained for the press.

Baltimore, June 20.—Fifty-eight wounded and one hundred and sixty-eight soldiers from the Newport News hospital arrived here this morning.

Winchester, June 20.—A number of sick and wounded soldiers from Gen. Shields' command arrived to-day. They will probably be sent to Harrisburg. There is nothing from Gen. Fremont's command of interest to-day.

MILITARY GOVERNOR OF SOUTH CAROLINA.

Washington, June 20.—Gen. Saxton, the Military Governor of South Carolina, leaves for Port Royal next week.

FREEDOM IN THE TERRITORIES.

GEN. LEE'S HOUSE APPROPRIATED FOR HOSPITAL PURPOSES.

Washington, June 20.—The President has approved the bill securing freedom in all present as well as future territories of the United States.

The Secretary of War, in response to a resolution from the House, says it is direct- [illegible] been taken to appropriate for hospital purposes for the benefit of our soldiers, Gen. Lee's house and premises.

Canada Left Out in the Cold. A recent editorial article in the London *Times* informs the people of Canada that they must defend themselves from American invasion, as England cannot do it. The Times says: "It is not in our power to send forth from this little island a military force sufficient to defend the frontier in Canada against the numerous armies which have learnt arms discipline in the great school of the present civil war." And again: "Should the colony wish to put an end to it (the connection) we would never draw the sword to defend it, and, if Canada will not fight to protect its independence from foreign invasion, neither will England."

TO HORSE OWNERS.
DR. SWEET'S INFALLIBLE LINIMENT FOR HORSES is unrivalled by any, in and all cases of Lameness, arising from Sprains, Bruises or Wrenching, its effect is magical and certain. Harness or Saddle Galls, Scratches, Mange, &c., it will also cure speedily. Spavin and Ringbone may be easily prevented and cured in their incipient stages, but confirmed cases are beyond the possibility of a *radical cure*. No case of the kind, however, is so desperate or hopeless but it may be alleviated by this Liniment, and its faithful application will always remove the Lameness, and enable the horse to travel with comparative ease.
Every horse owner should have this remedy at hand, for its timely use at the first appearance of Lameness will effectually prevent those formidable diseases mentioned, to which all horses are liable, and which render so many otherwise valuable horses nearly worthless.

NOTICE.—We are daily receiving orders to send by mail some one or more of Dr. Hurd's Dental Remedies, which we cannot fill.—None are mailable except the *Neuralgia Plaster*, which we send in an envelope on receipt of Price (15 cents) and one stamp.—But to accommodate persons in places where the druggists and store keepers are behind the age, we have put up packages in white embossed boxes, seven inches by four, with compartments—each box containing a bottle of *Dr. Hurd's Mouth Wash*, and *Tooth Ache Drops*, a box of *Tooth Powder*, the *Neuralgia Plaster*, and a valuable little Treatise on *Teeth and their Diseases, the best means of preserving them, and the proper treatment of Children's Teeth*, (worth of itself the entire cost to every young man or woman, or parents with young children;) with sundry other necessary articles; price per package, *one dollar*, or six packages for $5, sent by express as directed. As the Express charges are not much, if any, more on a dozen than on one, it is far cheaper to order six or a dozen packages at one time. A large family will want all, or the surplus can be disposed of to neighbors with public benefit, for no one can estimate how much pain, suffering, unhappiness, and disfigurement, expense, loss of time and money would be saved to the country if every family to-day had one of these packages, which, in itself, is a complete set of Dental Remedies. Address WM. B. HURD & Co., Tribune Buildings, New York, and write name and address plainly. That remittances may be made with confidence. W. B. H. & Co. refer to the Mayor of Brooklyn, to G. W. GRIFFITH, President of the Farmers and Citizen's Bank, Brooklyn; to the Editor of the American Manufacturers' Gazette; to Joy, Coe & Co., Publishers' Agents, New York; to P. T. BARNUM, Esq., who knows a good thing when he sees it and who has already ordered a second supply, etc.

1000 Agents Wanted,

To introduce Dr. Hurd's Dental Remedies into every County. Men or women who want to make money quickly, can do better with these articles than anything in market. They are new, useful, low priced, and we are spending thousands in advertising them for the benefit of agents. Boxes of samples, containing a dozen of the one dollar packages above specified, with circulars will be sent on receipt of *seven dollars*, about half price, to any person wishing to test his or her skill in selling with the view of becoming an agent. They can be sold in a day.—☞ *We would rather pay salaries than Commissions to those who prove themselves efficient salesmen.*

☞ Now is the time to go into the business. For address and references see above.

FROM BEFORE RICHMOND.

PROGRESS OF AFFAIRS—JEFF. DAVIS' LIFE IN DANGER FROM THE INFURIATED REBELS.

NEW YORK, 21.

The Times has a letter dated Camp Before Richmond, June 18th, which says we have another fine day. Every day of sunshine advances the fall of Richmond.—Three days of rain might postpone it essentially, with the exception of Sundry thunder storms. We have had now a succession of seven dry warm days. The roads are becoming hard. The surface of the earth in the field, except in low spots is practicable for Artillery.

another letter says, I am positively assured by parties who are reliably informed, that the life of Jeff. Davis is in extreme danger. The rebels looking upon him with the utmost suspicion. It is even avered that he was prevented by armed force from escaping from Richmond. Hand bills in every variety and in profuse quantities are displayed all over the city of Richmond denouncing Davis and applying to him ridiculous and opprobrious epithets.

HOW THEY FIGHT.

The Tribune has a letter dated Seven Pines June 18th which states that the order to the left wing to stand to its arms given at noon to-day, proceeded from intelligence communicated from the front that the enemy 3,000 strong was in line of battle, before Gen. Hooker's advanced post. At half past 4 o'clock the 16th Mass., Reg't. was unseen in the depths of the woods in front of Gen. Casey's old camping ground and sent a greeting to the Union Reg'ts., behind them and assured them in language unmistakable that they were busy in killing the rebels as fast as was consistent with the umbrageousness of the ground.

At half past five the wounded came walking into the surgeons headquarters behind Caseys Redoubt. They were Corporal M. G. Wright Co. C, 16th Mass, wounded in the right arm severely; Albert P. Ingalls Co. C wounded badly in wrist; J. W. Eldridge Co. C wounded in foot; Pat McGuire Co. D with nearly a fatal scalp wound; Clifford a very brave Irishman Co. F wounded severely in the groins; H. G. Miller C K. wounded in head; Jas W. Leverton wounded in the left arm. All of 16th Mass, Regt.

Up to 7 o'clock, when I left the following were killed in the 16th, Mass., Wm. B. Clancey Co. I; Thos. Weldon Co. D; and Sergt. John Kenney. It was Armstealls rebel Brigade that was in front of us today, numbers of whom the Mass., men mustered out of service forever. In one shot six rebel dead lay together. We drove their whole picket line in half a mile.

GREAT INDIAN REMEDY
For Females.

Dr. Mattison's Indian Emmenagogue.

This celebrated Female Medicine, possessing virtues unknown of anything else of the kind, and proving effectual after all others have failed, is designed for both *married and single ladies*, and is the very best thing known for the purpose, as it will bring on the *monthly sickness* in cases of obstruction, from any cause, and after all other remedies of the kind have been tried in vain.

OVER 2000 BOTTLES
have now been sold
without a *single failure*, when taken as directed, and without the least injury to health in *any case*. ☞ It is put up in bottles of three different strengths, with full directions for using and sent by express, *closely sealed*, to all parts of the country.

PRICES—Full strength, $10; half strength, $5; quarter strength, $3 per bottle.

☞ *Remember! This medicine is designed expressly for* OBSTINATE CASES, *which all other remedies of the kind have failed to cure; also that it is warranted as represented* IN EVERY RESPECT, *or the price will be refunded*.

☞ BEWARE OF IMITATIONS! None genuine and warranted unless purchased *directly of Dr. M., or at his office*. ☞ Accommodations for Ladies wishing to remain in the city a short time for treatment.

Dr. Mattison's Diuretic Compound,
For Acute and Chronic Gonorrhœa.

This new remedy contains neither Balsam Copaiva, Spirits of Nitre, Cubebs, Turpentine, or any other nauseous drugs, but is an elegant vegetable liquid, pleasant to the taste and smell, greatful to the stomach, cooling, cleansing and healing in its operation, and speedily allaying all heat and irritation in the urinary passages. You, therefore, who have been swallowing down *Balsam Copaiva*, either in capsules or mixtures, for months in succession, until with the face and disordered stomach your breath and clothes are filled with its vile odor; throw away the disgusting mixtures, and send for a bottle of this *New Remedy*, which will not only cure you *at once*, but at the same time it will cleanse the system from the injurious effects of the various mixtures you have been taking so long.

☞ ONE BOTTLE, WHICH LASTS A WEEK, WILL OFTEN EFFECT A PERMANENT CURE.—Price $2,00.

Dr. Mattison's Anti-Syphilitic Syrup,
For Constitutional Syphilis.

No remedy ever discovered has done what has been achieved by this. Under its use every form of constitutional syphilitic taint is speedily cured, and in a few weeks the subtle poison is completely eradicated from the system, and health and strength are permanently restored.

☞ *It was this remedy that cured in a few weeks a gentleman from the South, then stopping at Newport, and for which he presented Dr. M. with $450 besides his bill, after having been under the treatment of the most eminent physicians in Baltimore, Philadelphia and New York for* FIVE YEARS.

One bottle, which lasts a month, will often effect a perfect cure. Price, $10; half size, $5.

Dr. Mattison's Nervo Invigorator,
For Nervous Debility, Loss of Power, Impotency, Confusion of Thought, Loss of Memory, Irritable Temper, Gloomy Apprehensions, Despondency and Melancholy, which may end in Loss of Reason.

This new *remedy* for that fearful train of mental and physical evils arising from venereal excesses, and secret habits of the young, is composed of the most soothing, strengthening and invigorating medicines to be found in the whole Vegetable Kingdom, which, in combination, form the most perfect Antidote for this obstinate and distressing class of maladies ever yet discovered.—It has now been sent to nearly every State in the Union, relieving the untold sufferings of hundreds who have never seen the inventor, restoring them to comparative health, strength and happiness. *Prices*—Quart bottle, which last a month, $10; half size, $6.

☞ These four GREAT REMEDIES are the result of over twenty years' study and practice, and as now prepared they are known to be the *very best* for their respective purposes, and I am therefore induced to make them public for the mutual benefit of myself and the sick, who otherwise could never avail themselves of their benefits. They are all warranted as represented, in every respect, or the *price will be refunded*.

☞ Prepared and sold ONLY at DR. MATTISON'S REMEDIAL INSTITUTE FOR SPECIAL DISEASES rear No. 28 Union street, Providence, R. I., and sent by express, *secure from observation*, to all parts of the United States.

A WORD OF CAUTION.

☞ It has been estimated that over *Two Hundred Thousand Dollars* are paid to swindling quacks annually in New England alone; and that, too, without *any benefit* to those who pay it. All this comes from trusting, *without inquiry*, to men who are alike destitute of honor, character or skill, and whose *only* recommendation is *their own* false and extravagant *assertions*, in praise of *themselves*. The only way to avoid imposition is to take no man's word, *no matter what* his pretensions are, but MAKE INQUIRY It will cost you nothing, and may save you many regrets; *for, as* advertising physicians in nine cases out of ten are *bogus*, there is no safety in trusting *any of them* unless you know *who* and *what* they are.

Dr. M. will send *free*, by enclosing one stamp as above, a Pamphlet on DISEASES OF WOMEN, and on *Private Diseases* generally; giving full information, with *the most undoubted references and testimonials* without which no advertising physician, or medicine of this kind is deserving of ANY CONFIDENCE WHATEVER.

☞ Orders by mail promptly attended to. Write your address plainly, and direct to DR. MATTISON, as above. d18-1y

PROF. L. MILLER'S

HAIR INVIGORATOR

AN EFFECTIVE, SAFE AND ECONOMICAL COMPOUND.

FOR RESTORING GRAY HAIR to its original color, without dyeing, and preventing Hair from turning gray.

FOR PREVENTING BALDNESS, and curing it, when there is the least particle of vitality or recuperative energy remaining.

FOR REMOVING SCURF AND DANDRUFF, and all cutaneous affections of the Scalp.

FOR BEAUTIFYING THE HAIR, imparting to it an unequalled gloss and brilliancy making it soft and silky in its texture and causing it to curl readily.

The great celebrity and the increasing demand for this unequalled preparation, convince the proprietor that one trial is only necessary to satisfy a discerning public of its superior qualities over any other preparation at present in use. It cleanses the head and scalp from dandruff and other cutaneous diseases, causes the hair to grow luxuriantly, and gives it a rich, soft, glossy and flexible appearance and also where the hair is loosening and thinning, it will give strength and vigor to the roots, and restore the growth to those parts which have become bald, causing it to yield a fresh covering of hair.

There are hundreds of ladies and gentlemen in New York who have had their hair restored by the use of this Invigorator, when all other preparations had failed. L. M. has in his possession letters innumerable testifying to the above *facts*, from persons of the highest respectability. It will effectually prevent the hair from turning gray until the latest period of life; and in cases where the hair has already changed its color, the use of the Invigorator will with certainty restore it to its original hue, giving it a dark, glossy appearance. As a perfume for the toilet and a Hair Restorative it is particularly recommended, having an agreeable fragrance; and the great facilities it affords in dressing the hair, which, when moist with the Invigorator can be dressed in any required form so as to preserve its place, whether plain or in curls—hence the great demand for it by the ladies as a standard toilet article which none ought to be without, as the price places it within the reach of all, being

ONLY TWENTY-FIVE CENTS

per bottle, to be had at all respectable druggists and perfumers.

L. MILLER would call the attention of Parents and Guardians to the use of his Invigorator, in cases where the children's Hair inclines to be weak. The use of it lays the foundation for a *good head of hair*, as it removes any impurities that may have become connected with the scalp, the removal of which is necessary both for the health of the child, and the future appearance of its Hair.

CAUTION.—None genuine without the fac simile LOUIS MILLER being on the outer wrapper, also, L. MILLER'S INVIGORATOR, N. Y. blown in the glass.

SOMETHING MORE VALUABLE THAN SILVER OR GOLD,

BECAUSE

IT WILL RESTORE THE WEAK, REINSTATE THE BLOOD IN ALL ITS ORIGINAL PURITY AND VIGOR.

It is

PROF. O. J. WOOD'S
RESTORATIVE CORDIAL
AND
BLOOD RENOVATOR:

Is precisely what its name indicates, for while pleasant to the taste, it is revivifying, exhilarating and strengthening to the vital powers. It also revivifies, reinstates and renews the blood in all its original purity, and thus restores and renders the system invulnerable to attacks of disease. It is the only preparation ever offered to the world in a popular form so as to be within the reach of all.

So chemically and skillfully combined as to be the most powerful tonic, and yet so perfectly adapted *so as to act in perfect accordance with the laws of nature, and hence soothe the weakest stomach* and tone up the digestive organs, and allay all nervous and other irritation. It is also perfectly exhilarating in its effects, and yet it is never followed by lassitude or depression of spirits.—It is composed entirely of vegetables, and those thoroughly combining powerful tonic and soothing properties, and consequently can never injure. As a sure preventive and cure of

CONSUMPTION, BRONCHITIS, INDIGESTION, DYSPEPSIA, LOSS OF APPETITE, FAINTNESS, NERVOUS IRRITABILITY, NEURALGIA, PALPITATION OF THE HEART, MELANCHOLY, HYPOCHONDRIA, NIGHT SWEATS, LANGUOR, GIDDINESS, AND ALL THAT CLASS OF CASES SO FEARFULLY FATAL, CALLED FEMALE WEAKNESSES AND IRREGULARITIES,

THERE IS NOTHING ITS EQUAL.

Also, Liver Derangements or Torpidity, and Liver Complaints, Diseases of the Kidneys, or any general derangement of the Urinary Organs.

It will not only cure the debility following CHILLS and FEVER, but prevent all attacks arising from miasmatic influences, and cure the diseases at once, if already attacked.

TRAVELERS should have a bottle with them, as it will infallibly prevent any deleterious consequences following upon change of climate and water.

As it prevents costiveness, strengthens the digestive organs, it should be in the hands of all persons of sedentary habits.

LADIES not accustomed to much out door exercise should always use it.

MOTHERS should use it, for it is a perfect relief, taken a month or two before the final trial, she will pass the dreadful period with perfect ease and safety!

There is no mistake about it!!

THE CORDIAL IS ALL WE CLAIM FOR IT!! MOTHERS TRY IT!!

And to you we appeal, to detect the illness or decline not only of your daughters before it be too late, but also your sons and husbands, for while the former from false delicacy, often go down to a premature grave, rather than let their condition be known in time, the latter are often so mixed up with the excitement of business, that if it were not for you, they, too, would travel in the same downward path until it is too late to arrest their fatal fall. But the mother is always vigilant, and to you we confidently appeal; for we are sure your never-failing affection will unerringly point you to PROF. WOOD'S RESTORATIVE CORDIAL AND BLOOD RENOVATOR as the remedy which should be always on hand in time of need.

O. J. WOOD, proprietor, No. 444 Broadway, New York, and No. 114 Market Street, St. Louis, Mo., and sold by all good druggists Price one dollar per bottle.

Read what the Press say, after thoroughly testing the matter, and no one can have a doubt.

Prof. WOOD'S Restorative Cordial and Blood Renovator is a genuine medicine of real merit, pleasant to the taste and invigorating to the system. While it purifies the blood and soothes the nervous irritation, it aids the organs of digestion to perform their functions, and resist the assault of disease. It is a chemical compound so skilfully combined that while, it exhilarates it does not excite[illegible]. A tonic, composed [illegible] of vegetable matter it is absolutely beneficial and no ill effects can possibly accompany its use. It is an infallible and speedy remedy for Loss of Appetite, Faintness, Nervous Debility, Neuralgia, Palpitation of the Heart, Falling of the Womb, and other delicate diseases to which woman is subject. For Sickness of the Stomach, Bilious Attacks, Liver Complaints, Costiveness, Dyspepsia, Consumption and a host evils flesh is heir to, it is a certain cure.—*St. Louis Morning Herald.*

PROF. WOOD'S RESTORATIVE CORDIAL.—It is recorded in the Classics that Pysche was once sent to a climate warmer than the West Indies, to procure a sample of the beauty of Proserpine in a box. After some delay the messenger returned, and as soon as the lid of the box was removed, out flew all the ills that flesh is heir to. Fortunately hope was found in the bottom of the box. Prof WOOD'S Restorative Cordial revives the recollection of the story, for it invigorates the blood, aids the organs of digeston, imparts strength to the nervous system, and fortifies the citadel of health, so as to bid defiance to the assaults of disease. It is a healthy tonic, composed entirely of vegetable productions, and while it is exhilarating as pure wine, no injurious results can possibly follow its use. It is a desideratum in the medical world, and those who are afflicted with loss of appetite, Dyspepsia, Consumption, Faintness, Giddiness, Neuralgia, Palpitation of the Heart, &c., will find here an infallible panacea.—*St. Louis Daily Express.*

PROF. WOOD'S RESTORATIVE CORDIAL AND BLOOD RENOVATOR is, without doubt the best tonic Cordial in the world. To those who are suffering from General Debility, we would recommend its use, for it is pleasant to the taste, is strengthening to the system, and will at once tend to remove all impurities of the blood, and eradicate all traces of disease. It can be taken by the weakest stomach, while those in good health will at once feel its exhilarating power. We are confident that after using one bottle of this Cordial none will be for a day without it.—*New York Leader.*

A PURE, HEALTHY TONIC, and one free from the deleterious and injurious effects sure to follow those in ordinary use, has long been felt to be a desideratum in the medical world. Such a tonic, and one so skillfully combined from the vegetable kingdom as to act in perfect accordance with the laws of nature, and thus sooth the weakest stomach, and at the same time allay nervous and other irritations, and tone up all the organs of which the human body is composed, is offered in Porf. WOOD'S Restorative Cordial and Blood Renovator. Hence, it is perfectly adapted to old and young. Reader, try it. Thousands have already done so, and the testimony is universal in its favor.—*New-York Atlas.*

PROF. WOOD'S RESTORATIVE CORDIAL AND BLOOD RENOVATOR, for the cure of General Debility, or Weakness arising from any cause; also, Dyspepsia, Nervousness, Night Sweats, Incipient Consumption, Liver Complaints, Biliousness, Loss of Appetite, Female Weakness in all stages; also to prevent the contraction of disease, is certainly the best and most agreeable Cordial tonic and Renovator ever offered to the afflicted, and so chemically combined as to be the most powerful tonic ever known to medical science. Reader, try it. *It will do you good.* We have no hesitation in recommending it, since we know it to be a *safe, pleasant and sure* remedy for the diseases enumerated.—*New York Dispatch.*

The Hyperion does not in any manner interfere with the

NATURAL SOFTNESS of the Hair

It neither scorches nor dries it; it gives the hair a soft thrifty appearance, it prevents the hair from FALLING OFF!

It is the only article ever yet discovered that will

CURE YOUR COUGH FOR ONE DIME

The BEST and CHEAPEST Household REMEDY in the World.

Madame ZADOC PORTER'S

Great Cough Remedy.

MADAME ZADOC PORTER'S Curative Balsam is warranted if used according to the directions, to cure in all cases, Coughs, Colds, Whooping Cough, Asthma, and all affections of the Throat and Lungs.

MADAME ZADOC PORTER'S Balsam is prepared with all the requisite care and skill, from a combination of the best remedies the vegetable kingdom affords. Its remedial qualities are based on its power to assist the healthy and vigorous circulation of the blood, through the lungs. It is not a violent remedy, but emollient,—warming, searching and effective; can be taken by the oldest person or youngest child.

MADAME ZADOC PORTER'S Balsam has been used by the public for over 18 years, and has acquired its present sale simply by being recommended by those who have used it, to their afflicted friends and others.

MOST IMPORTANT.—MADAME ZADOC PORTER'S CURATIVE BALSAM is sold at a price which brings it in the reach of every one to keep it convenient for use. The timely use of a single bottle will prove to be worth 100 times its cost.

NOTICE.—SAVE YOUR MONEY!— Do not be persuaded to purchase articles which do not contain the virtues of a Dime Bottle of Madame Porter's Curative Balsam, the cost of manufacturing which is as great as that of almost any other medicine; and the very low price at which it is sold, makes the profit to the seller apparently small, and unprincipled dealers will sometimes recommend other medicines on which their profits are larger, unless the customers insist upon having Madame Porter's and none other. Ask for Madame Porter's Curative Balsam, price 10 cts., and in large bottles at 20 cts and take no other. If you cannot get it in one store you can at another.

☞ Sold by all Druggists and Store-keepers at 10 cts. and in larger bottles at 20 cts.
